

Why Should I Invest in the Museum of Aviation?

Celebrating our Heritage & Heroes:

- ❖ Crown Jewel of Middle Georgia tourism and Robins Air Force Base with more than 631,000 annual visitors
- ❖ One of the oldest and largest public-private partnerships in the Air Force – supporting Robins Air Force Base and their \$3 Billion annual economic impact
- ❖ 51 acres and four hangars of rich military history
- ❖ Second largest U.S. Air Force museum in the nation
- ❖ Over Thirty-five years in operation
- ❖ Home of the Georgia Aviation Hall of Fame since 1989
- ❖ More than 85 Aircraft, missiles and cockpits
- ❖ Learn the stories of Veterans from World War I to Present conflicts
- ❖ Free and open to the public

Engaging our Nation:

- ❖ A unique special event venue, with past and present historic aircraft as a backdrop
- ❖ Promoting and enhancing the lives of our Veterans

Educating our Future:

- ❖ Home to the National STEM Academy, STARBASE Robins and the Educator Resource Center (ERC)
- ❖ More than 29,000 students and teachers come through our programs annually
- ❖ Operates interactive programs focused on Science, Technology, Engineering, Mathematics (STEM) and History
- ❖ Opportunities for learners ages 4 through adult are conducted both on school sites and at the Museum of Aviation
- ❖ Programs are aligned to state and national standards
- ❖ Programs highlight career opportunities and workforce development strategies

Auction / Raffle and Taste of Local Cuisine:

- ❖ Where your museum takes an auction and turns it into action:
 - National STEM Academy
 - Restoration
 - Museum facility improvements and adaptive playground
 - Foundation operations
- ❖ Your support continues the passion of our Nation's heroes in Aviation and Education
- ❖ Building upon the expansion of inclusive events with our veterans and wounded warriors
