## **28TH GEORGIA ANNUAL YOUNG ASTRONAUTS' DAY SET FOR MAY 6, 2017**

**NOTE TO THE MEDIA: Please help us with as much pre-promotion as possible.**

**WARNER ROBINS, GA** – The National S.T.E.M. Academy at the Museum of Aviation launches the 28<sup>th</sup> Georgia Annual Young Astronauts' Day on May 6 from 9 a.m. until 2 p.m.

Young Astronauts' Day is the largest educational event of the year with over 350 students in attendance.

Programs for the day include fifteen different hands-on science and technology workshops held throughout the Museum grounds. Students will be able to select 3 of those workshops. Among them to name a few are: "Robotics", "Astro Training", and "Rocketry." Workshops are taught by Museum staff members and volunteer leaders from the Middle Georgia community, Robins Air Force Base and the Houston County School system.

The event is for students in grades 1<sup>st</sup> through 8<sup>th</sup>. Pre-registration is required but parents do not have to accompany their children throughout the day. Students are provided pizza for lunch and a t-shirt.

Registration packets can be found at <http://www.museumofaviation.org/moaevents/young-astronauts-day-2/>. For more information, please contact Candi James at (478) 926-5558 or by e-mail at [cjames@museumofaviation.org](mailto:cjames@museumofaviation.org).
