

## 2019-2020 Workshop Schedule

### EXPLORE EARTH & MOON<sub>2</sub>MARS SERIES

### ROBOTICS & CODING SERIES

### GPB EDUCATION SERIES

Date	Workshop Topic	Targeted Grade Level
------	----------------	----------------------

September 21, 2019	<i>Life Through Geology</i>	3-6
--------------------	-----------------------------	-----

October 5, 2019	Moon <sub>2</sub> Mars & Beyond	Pre K-12
-----------------	---------------------------------	----------

November 2, 2019	<i>Technology for the Mars Age</i>	6-12
------------------	------------------------------------	------

April 18, 2020	NASA BEST	K-12
----------------	-----------	------

Date	Workshop Topic	Targeted Grade Level
------	----------------	----------------------

October 26, 2019	<i>CS Fundamentals with Code.org</i>	K-5
------------------	--------------------------------------	-----

January 25, 2020	Deep Dive with Code.org (Part 2)	K-5
------------------	----------------------------------	-----

January 11, 2020	<i>Robotics</i>	K-8
------------------	-----------------	-----

May 16, 2020	Minecraft Education	K-12
--------------	---------------------	------

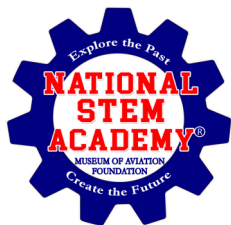

Date	Workshop Topic	Targeted Grade Level
------	----------------	----------------------

November 16, 2019	<i>GPB STEM Education Georgia Studies</i>	Pre K-5
-------------------	---	---------

February 1, 2020	On the Moon with PBS Design Squad	3-12
------------------	-----------------------------------	------

March 7, 2020	<i>GPB STEM Education Georgia Studies</i>	6-12
---------------	---	------

March 21, 2020	Mission: Solar System with PBS Design Squad	4-8
----------------	---	-----

The STEM Educator Workshop Series at the Museum of Aviation is coordinated by Georgia's NASA RERC and supported by Georgia Space Grant Consortium, ORBIT Education Inc., Georgia Power, Georgia Power Foundation, Noblis, the Office of STEM Education at NASA Kennedy Space Center and the Museum of Aviation Foundation.

*\*Workshop dates and topics are subject to change.*

*Please check the website for any changes or contact Georgia's NASA RERC.*

[www.museumofaviation.org](http://www.museumofaviation.org)

Would you like to participate in STEM related workshops that:

Provide you with free resources to use in your classroom...

Demonstrate hands-on activities that support Georgia standards...

Infuse NASA curriculum support materials that demonstrate applications of STEM topics...

Offer free sessions for formal and informal educators that include Certificates of Completion...

Provide stipends to participants\*?

Then Georgia's NASA RERC STEM Educator Workshop Series is just the thing for you! Check out our offerings for the 2019-2020 school year and contact us for the sessions you would like to attend.

***Don't miss out on these great opportunities!***

\*Stipends are provided based on funding availability.

***For every four workshops completed, educators will receive a \$100 stipend.***
