

Museum of Aviation Foundation, Inc. Robins AFB Section 504 Plan

The Museum of Aviation staff and volunteers are dedicated to increasing the enjoyment of all visitors. Please feel free to ask for assistance from anyone wearing a red vest or a name badge.

Once a visitor has entered the Museum of Aviation grounds, all public areas are accessible, unless otherwise notated.

General Information

Stores

The Gift Shop is located on the first floor in the Eagle Building and is wheelchair and handicap accessible.

Restrooms

Accessible restrooms are located in the Eagle Building on the first and third floors, and are wheelchair and handicap accessible.

The public restrooms on the first floor in the Century of Flight building are also handicap and wheelchair accessible. The Private classroom restrooms located on the 2nd floor of the Century of Flight Hangar in the National STEM Academy, are also wheelchair and handicap accessible.

There are handicap and wheelchair accessible restrooms located in Hangars 1 & 3 also, as well as outside in Freedom Park.

Telephones

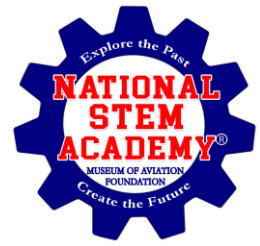

Every building has a public TTY (Telecommunication Device for the Deaf) telephone available at each volunteer desk, and volunteers are on staff to assist.

Water Fountains

Accessible water fountains are located throughout the Museum of Aviation in restroom areas.

Eating Areas

The Museum of Aviation does not offer onsite meal accommodations. The Gift Shop is handicap and wheelchair accessible and offers snacks and drinks. Pavilions are available on a first-come first-serve basis unless otherwise notated.

Getting to the Museum

Parking

Free parking is available for visitors with handicap parking identification in all three public parking lots.

Entrances

Most buildings and hangar main entrances are accessible and have handicap automated push button doors.

Getting Around the Museum

General Statement

All of our buildings have wheelchair-accessible entrances; interior access varies. The paths and walkways to all buildings are cemented and easily accessed by a wheelchair. Most roads are level, with steeper grades located near the Century of Flight Hangar and Hangar 3.

Floor Plans

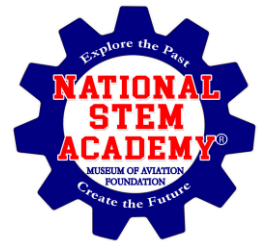

Maps of the Museum of Aviation and any special event dates and times can be found at any volunteer station in all four buildings.

Wheelchairs

The Museum of Aviation makes every effort to have several wheelchairs available. Although it is not possible to reserve a wheelchair for a given time, you will find wheelchairs stored in the Eagle Building and the Century of Flight Hangar. Ask a volunteer for assistance. Use of Museum of Aviation wheelchairs is a free service.

Service Animals

Service animals are welcome. The Museum of Aviation follows the Department of Justice regulations implementing the Americans with Disabilities Act (ADA) for title II and title III entities. For more information on the regulations please visit the ADA website at www.ADA.gov. Pets and non-service animals are not allowed on Museum property.

Accessibility Services at the Museum

Alternative Formats

A variety of free preprinted materials and highlights of the Museum are available on our website www.museumofaviation.org, and are available at the volunteer desks. Detailed maps with exhibit highlights are available for \$5.00.

Assistive Listening Devices

Tour Guides wear microphones that can be adjusted to a needed volume level. The majority of videos shown in exhibits have captions.

Programs at a Museum

Arranging Special Tours & STEM and History Field Trips

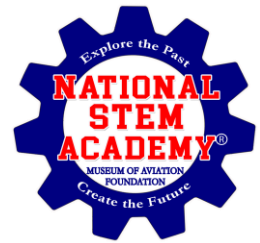

Group reservations and guided tours are available for special needs audiences through the National STEM Academy. To receive additional information about these facilities, to book a guided tour, and/or to find out more about our Heritage programs, please contact Candi James at 478-926-5558 or visit www.museumofaviation.org and click "Learn."

STEM Field trips are offered through the National STEM Academy for grades Pre K-12th, and most are available to special needs individuals. Adult Team Building programs are also available. For a list of available programs and trips, please visit www.museumofaviation.org and click "Learn."

Hosting Special Events

The Museum of Aviation is available for business meetings, banquets, receptions, and other events. Spaces are available for special needs audiences with wheelchair and handicap accessible areas and restrooms. For more information on Special Events, please visit www.museumofaviation.org and click "Events."

Thank you for visiting the Museum of Aviation in Warner Robins, Georgia. Please let us know if there is anything else we can do to assist you in your visit!

A copy of this 504 Plan can be viewed or printed from our website under “Visit” and “Learn”:
