Guided School Tours (K-12th grade)

Learn about the history of aviation and explore the past, present, and future as your group tours the award-winning exhibits and aircraft on display at the Museum of Aviation.

Guided school tours last approximately 1.5 hours and include two or more buildings. **Ideal maximum group size: 75 students.**

- **Group Size:** Minimum of 10 participants for School Tours. Due to our limited tour guide staffing, groups larger than 75 students are asked to split their visits into two or more days.
- **Price:** \$7 per middle school and high school students; \$5 per elementary student.
- **C-130 Experience:** By request, tour groups can gain exclusive inside access to a C-130 “Hercules” fuselage.
- **Custom Tour:** To correlate the School Tour specifically to your classroom curriculum, please advise when scheduling. Standards such as SSH6 (a)(b)(d)(e) can be met upon request.

Guided Private & Family Tours

Private Tours at the Museum of Aviation explore any of our four spacious hangars.

Schedule: Private Tours last approximately 1.5-2 hours and will include two or more buildings. Please schedule Private Tours in advance.

- **Group Size:** Minimum of 5 participants for Private Tours.
- **Price:** \$10.00 per participant (ages 5 and up)/\$50.00 minimum.
- **C-130 Experience:** Participants will have exclusive inside access to a C-130 “Hercules” fuselage (by request).

WWII Guided Tour & Geronimo’s Interactive Classroom (School or Private Tour)

Learn about America’s involvement in World War II throughout the Scott Hangar. This tour includes the Tuskegee Airmen Exhibit, women’s role in the war, paratroopers, and the aircraft that helped support and win the war. Tours also include Geronimo’s Interactive classroom where participants will view authentic World War II artifacts and experience hands-on learning.

To correlate this World War II Guided Tour specifically to your classroom curriculum, especially 5th grade standards, please advise when scheduling.

- **Schedule:** World War II Guided Tours last approximately 1.5 hours and may include Geronimo's Interactive classroom. Must be scheduled in advance. Groups larger than 75 participants or more will need to allow more time for their tour.
- **Group Size:** Minimum of 10 participants for World War II Guided Tours.
- World War II Guided Tour is also offered virtually.

US Airpower: World War II – Present (School or Private Tour)

Learn significant events in U.S. aviation history and understand technology developments driven by wartime and peacetime periods. Explore the role of Georgia in World War II as well as the impact of the War in Middle Georgia and beyond.

- **Schedule:** This tour lasts approximately 1.5 hours and can be tailored to 7th-12th Grades as well as J/ROTC Cadets. Must be scheduled in advance. Groups larger than 75 participants or more will need to allow for more time for their Airpower Guided Tour.
- **Group Size:** Minimum of 10 participants for Airpower Guided Tours.

Virtual Tours

- Virtual tours run about 10 minutes of viewing time each. Cost is \$50 for viewing.
- Virtual tours are articulate and in-depth views of the Nugteren, Scott, and Century of Flight hangars.
- Eras covered in the videos include World War II, Vietnam, and the Cold War.
- The Heritage Tours staff will provide YouTube access once payment arrangements are made.

Grants

- The Heritage Tours staff periodically coordinates grants that help offset the cost of tours and transportation requirements for school groups.
